We Are Here For Your Safety!

The Pinal County Sheriff's Office Traffic Enforcement Unit is dedicated to modifying dangerous driving behavior through education and enforcement. Through aggressive education and enforcement efforts, the goal of the Traffic Enforcement Unit is to reduce traffic collisions, injuries and fatalities by focusing on the factors that cause them. Some of the driving behaviors and factors that directly contribute to these are speeding, driving while under the influence of alcohol and/or drugs, aggressive driving, and lack of attention while driving.

The Traffic Enforcement Unit also oversees the Pinal County D.U.I. Task Force, which is a multi-agency task force consisting of agencies throughout Pinal County. The DUI Task Force was formed with assistance from the Governor's Office Of Highway Safety (GOHS). The Pinal County Regional DUI Task Force focuses on aggressive enforcement of impaired drivers to create safer roadways for the motoring public throughout Pinal County.
