The American Legion was chartered by Congress in 1919 as a patriotic Veterans organization. Focusing on service to veterans, service-members and communities, the **American Legion** evolved from a group of war-weary veterans of World war 1 into one of the most influential **nonprofit** groups in the United States. The **American Legion** has influenced considerable social change in America, won hundreds of benefits for veterans and active military, and produced with continual support to many important programs for Veterans, active military, their communities, and children and youth.
