ONE OF A KIND PEDIATRIC ORTHOPEDIC CARE

Your \$35 tax deductible entry goes directly to the *Tucson Shriners Hospital Transportation Fund*. This fund provides free transportation to young burn victims to the *Shriners Hospital's Burn Center* in Los Angeles. *Shriners Hospitals* provide critical surgical and rehabilitative care to children with varying degrees of burn injuries. Your entry fee, and any other financial donation you may give, will go a long way to helping a young child on the road to recovery.

EACH YEAR,

thousands of children are burned and require specialized treatment for their injuries.

In the 1960's, recognizing the lack of medical expertise in treating burns, Shriners of North America opened 4 pediatric hospitals that specialize in burns. These special hospitals were founded with the three-fold purpose of helping children, conducting burn research and training medical personnel in the treatment of burn injuries.

Today, Shriners Hospitals are actively involved in research, and many advances in burn care have been the result of extensive research activities at these specialized Shriners Hospitals.

Shriner Hospitals for Children is operated by Shriners of North America. There are 22 Shriners Hospitals providing specialized pediatric care for orthopaedic conditions, burns, spinal cord injuries and cleft lip & palate. There is never a charge for any medical care or services received at Shriners Hospitals, including out-patient care, diagnostic services, surgery, medical care, casts braces, x-rays, rehab programs and continuation of patients education.

\$35 SHOW ENTRY INCLUDES:

- Two (2) Friday night dinner tickets at Hi-Speed Rods & Custom Shop.
- One (1) event tee-shirt designed by Brizio Products - Danville, Ca.
- Pro's pics awards
- People's choice award
